

Dear Parents, Guardians & Dancers,

Please find details of the **Cascade Youth Company** at Canterbury Academy.

From September the company will now run on **Thursdays** providing a weekly contemporary dance class and choreography session for young dancers 11 – 16 years. Our students will perform up to three times a year within the school and in local performances.

Cascade provides dancers aged 11 – 16 the opportunity to train in contemporary dance, work creatively with professionals and perform across the region. We hold a number of youth dance companies in across Kent. Find out more via our website www.cascadedance.co.uk
